Various delivery methods for CBD are available to suit your specific health and wellness needs, including tinctures, oils, and gummies. Each method interacts with your body in a unique way, offering different absorption rates and effects. For example, tinctures and oils can be placed under the tongue for rapid absorption into the bloodstream, ideal for immediate relief. Gummies, on the other hand, undergo slower metabolic processing but offer longer-lasting effects. Understanding these nuances allows you to make an informed decision when choosing the right Wrapped In Hearts CBD product to address your particular areas of concern.

WE WOULD *love* TO HEAR FROM YOU

SHARING THE WEALTH & HEALTH OF CBD!

15 *Guest* in 5 *minutes*

If you need help jogging your memory of friends and acquaintances you could invite to attend your event, try the following "15 Guests in 5 Minutes" exercise!

You might be thinking that 15 sounds like too many, but typically, only half the guests you invite will be able to attend your event, so it's important to invite more than you anticipate. Many factors affect a person's ability to attend your event, so don't be disappointed if certain people don't come—they might be at the next one!

Now grab a pen and try the following exercise. You'll be surprised how quickly your list grows!

- Relatives
- Friends
- Coworkers
- Neighbors
- Church
- Social Group
- Friends Spouse
- Coworker Spouse
- PTA/School Moms

WE VALUE *Your* OPINION. . .

CBD Peppermint Oil

Our tinctures provide a high-quality serving of hemp-derived CBD, utilizing our propriety blend of natural botanical ingredients like peppermint, vitamin E, and primrose oil to assist in recovery support, muscle and joint health, stress reduction, and mood balance.

Nano Water Soluble Softgels

Our Water Soluble softgels may help address minor everyday soreness, support joint function, and encourage recovery following strenuous activity. Our Softgels product help promote a healthy inflammatory response and provide fast and effective relief.

Broad Spectrum CBD Gummies

Our unique formulated fruit gummies allow you to experience the full benefits of CBD per gummy, thanks to the inclusion of carefully selected cannabinoids and terpenes that enhance the effects of CBD.

Muscle Relief Topicals

Our potent, hemp-infused, mentholated topicals are formulated to provide deep, penetrating relief from persistent muscle tension and pain. Organic, cannabinoid-rich hemp extract works to soothe and relieve everyday aches and pains.

Apple Stem Cell Cream

A luxurious and effective skincare product designed to moisturize, brighten, resurface the skin while promoting and protecting it. This gentle exfoliating lotion is formulated with a blend of natural ingredients.

Dry Body Oil (scented)

Pamper yourself with the luxurious elegance of our soothing all-natural CBD-infused dry body oil. Our dry body oil is ideal for use as a daily moisturizer or as a massage oil that helps you achieve soft, smooth skin that feels comfortable and dry to the touch.

Head to Toe Glow Oil

This all-natural oil is packed with powerful ingredients that work together to nourish, hydrate, and revitalize your skin. It's perfect for all skin types and can be used to moisturize dry skin, combat signs of aging, reduce the appearance of scars and blemishes, and even out skin tone.

Bacon Flavored Pet Drops

Our bacon flavored Pet Drops contains various cannabinoids, terpenes, proteins, nutrients, and fatty acids derived from the hemp plant. These components work together synergistically to combat symptoms commonly associated with pets like stress, physical discomfort, restlessness, and skin dryness.
